

About Caludon Castle School

Accommodation

Caludon Castle can provide a list of estate agents in the area to assist with accommodation.

Child Care Facilities

Caludon Castle can provide a list of child care providers in the area.

Disability Access

Caludon Castle has full access for students with disabilities.

Public Transport

By Rail: The nearest main line station is Coventry City Centre, which has direct links to Birmingham, Banbury, Northampton and Nuneaton, and is only a 15 minute taxi journey away.

By Road: Coventry is conveniently located close to the M6 (Jct 2), M69 (A46), M42 (Jct 6) and M40 (Jct 15). On exiting the motorway head for Coventry and join the A46 which travels to the west of the City Centre. Leave the A46 at the roundabout signposted to Wyken and join the B4082. At the next roundabout turn right onto Clifford Bridge Road and continue ahead at the next roundabout. Take the first turning left into Belgrave Road and then the third turning right into Axholme Road. Caludon Castle School is on your left after 200 metres.

Special Features

Caludon Castle School was newly rebuilt in 2006 under the Private Finance initiative Scheme. This provides 'state of the art' facilities for all areas of the curriculum, underpinned by innovative use of ICT. It is a newly designated Teaching School and is the lead school in the Coventry East Alliance. We are proud of our leading edge training programmes which we offer in support of initial teacher training. Applying for a School Direct place through us will guarantee an exceptional teacher training experience, either at Caludon or at one of our other successful partner schools. Caludon Castle is an outstanding school (Ofsted March 2008; November 2011: outstanding in every category), with an excellent record of teacher training. We host a large number of core PGCE and School Direct trainees from many HEI Providers and most trainees achieve a grade 1 outstanding by the end of their training year. Warwick University Ofsted reported: 'outstanding training provision for all GTP and PGCE trainees, ∴ some of the best feedback to trainees that we have ever seen. The mentor practice is to match those of the very best.'
